

IS IT DIFFICULT TO FIND THE TIME AND MATERIALS TO
CREATE ENGAGING LESSONS?

Our standards-based lessons teach Pre-Kindergarten through 2nd grade students the exciting science behind energy and the environment. Students learn about conserving natural resources and how to take action now and in the future.

PEAK provides:

- ✓ A comprehensive curriculum aligned with current academic standards.
 - ✓ A toolkit full of all the necessary supplies
 - ✓ Strategies to seamlessly blend lessons in your teaching plans.
 - ✓ Access to the most up-to-date materials, campaigns and peer-to-peer connections through our e-learning platform: PEAK Talk.
